ANNOUNCEMENT

Sonaecom, SGPS, S.A. ("Sonaecom") announces that, on this date, its affiliate Sonaecom - Sistemas de Informação, SGPS, S.A. ("SSI"), has reached an agreement with NOS – Comunicações, S.A. ("NOS"), to sell to NOS the total share capital of Mainroad - Serviços em Tecnologias da Informação, S.A. ("Mainroad").

Mainroad is a leading company in Portugal in the area of Information Technology, holding two *Data Centers* – one in Porto and another in Lisbon - and offering a full set of services: Business Continuity, Cloud Computing and IT Managed Services.

With this transaction, which takes place on a context of increasing convergence between information technologies and telecommunications, whose value amounts to € 14.000.000,00 (fourteen million Euros), and together with the recent acquisition of 60% stake of the share capital of S21Sec, a multinational based in Madrid, specialized in cyber security services and technologies, SSI continues to take solid steps in the wake of its strategy of active management of its portfolio.
